STUDENTS' HISTORY

OF

CALUMET HIGH SCHOOL

1889 - 1950

Our school began its existence as Calumet Township High School in September of 1889. It was housed in three small rooms on the second floor of the Washington Heights (Barnard) Grammar School at 104th and Charles Streets. The student body consisted of forty-eight pupils and the faculty of two teachers, Mr. A. S. Hall, principal, and Miss May B. Phillips. Students came from graduating eighth grade classes and from the tutoring classes of Mr. Milliken in Fernwood and Mrs. Sutherland in Washington Heights.

The school district at that time included the territory south of 87th Street and east of Western Avenue. It was bounded on the south by the little Calumet River and on the east by a line running through Lake Calumet about Stony Island Avenue.

During the summer of 1890, a fire occurred in the Washington Heights building, and the high school was moved to temporary quarters in the old Tracy Town Hall, a one story frame building at 103rd and Prospect, which was partitioned off into four classrooms. These quarters were very inconvenient and it was obvious that the township needed a new school building but the school board was having difficulty in selecting a location. The villages of Blue Island, Morgan Park, Washington Heights, Gano, and Fernwood had grown up along the railroads but there was no east and west transportation. Hence each village wanted the new school but refused to send their students to any other village. So the board ordered the discontinuance of the search for a building site and petitioned Chicago to accept its students, teachers, and $30,000.

In April 1891 the Board of Education voted to accept Calumet as a Chicago high school and in September the school was transferred to the Auburn Park Grammar School at 81st and Normal, a new six-room brick building where the high school was given three rooms on the second floor.

Auburn Park had just been incorporated into the city of Chicago. The very first settlers were about fifteen German farmers who in 1875 started small truck farms around 79th and Halsted, establishing a settlement known as "the Grove". There were also a few Hollander truck farmers west of 82nd and Peoria and around 79th and State. Auburn itself mushroomed into existence at 79th and Vincennes following the great Chicago fire when people were looking for places to build in the suburbs instead of in the burned over territory north of 22nd Street. This fine prairie land was considered one of the most promising south side districts because its land was some sixteen feet higher than the surrounding swampland. It built up rapidly in 1872-73 and the Auburn Park Grammar School was built in 1876 at 81st and Wallace. However, it burned down in 1887 when the Weber Wagon Works across the street burned and took the school and some 25 houses with it. The new school was erected in 1888 at 81st and Normal on land donated by Mr. August Schorling.

To Calumet, located in this building, students of all ages, who had not had an opportunity for a high school education up till this time, flocked from the distant suburbs. In June of '91 two pupils received their diplomas at graduation exercises held for all Chicago high schools in the Auditorium at Michigan Boulevard and Congress. The teaching staff had been increased to eight.

One of the best loved and well-remembered of these teachers was Miss Alice McKinley. From her first year at the school in 1897 till she

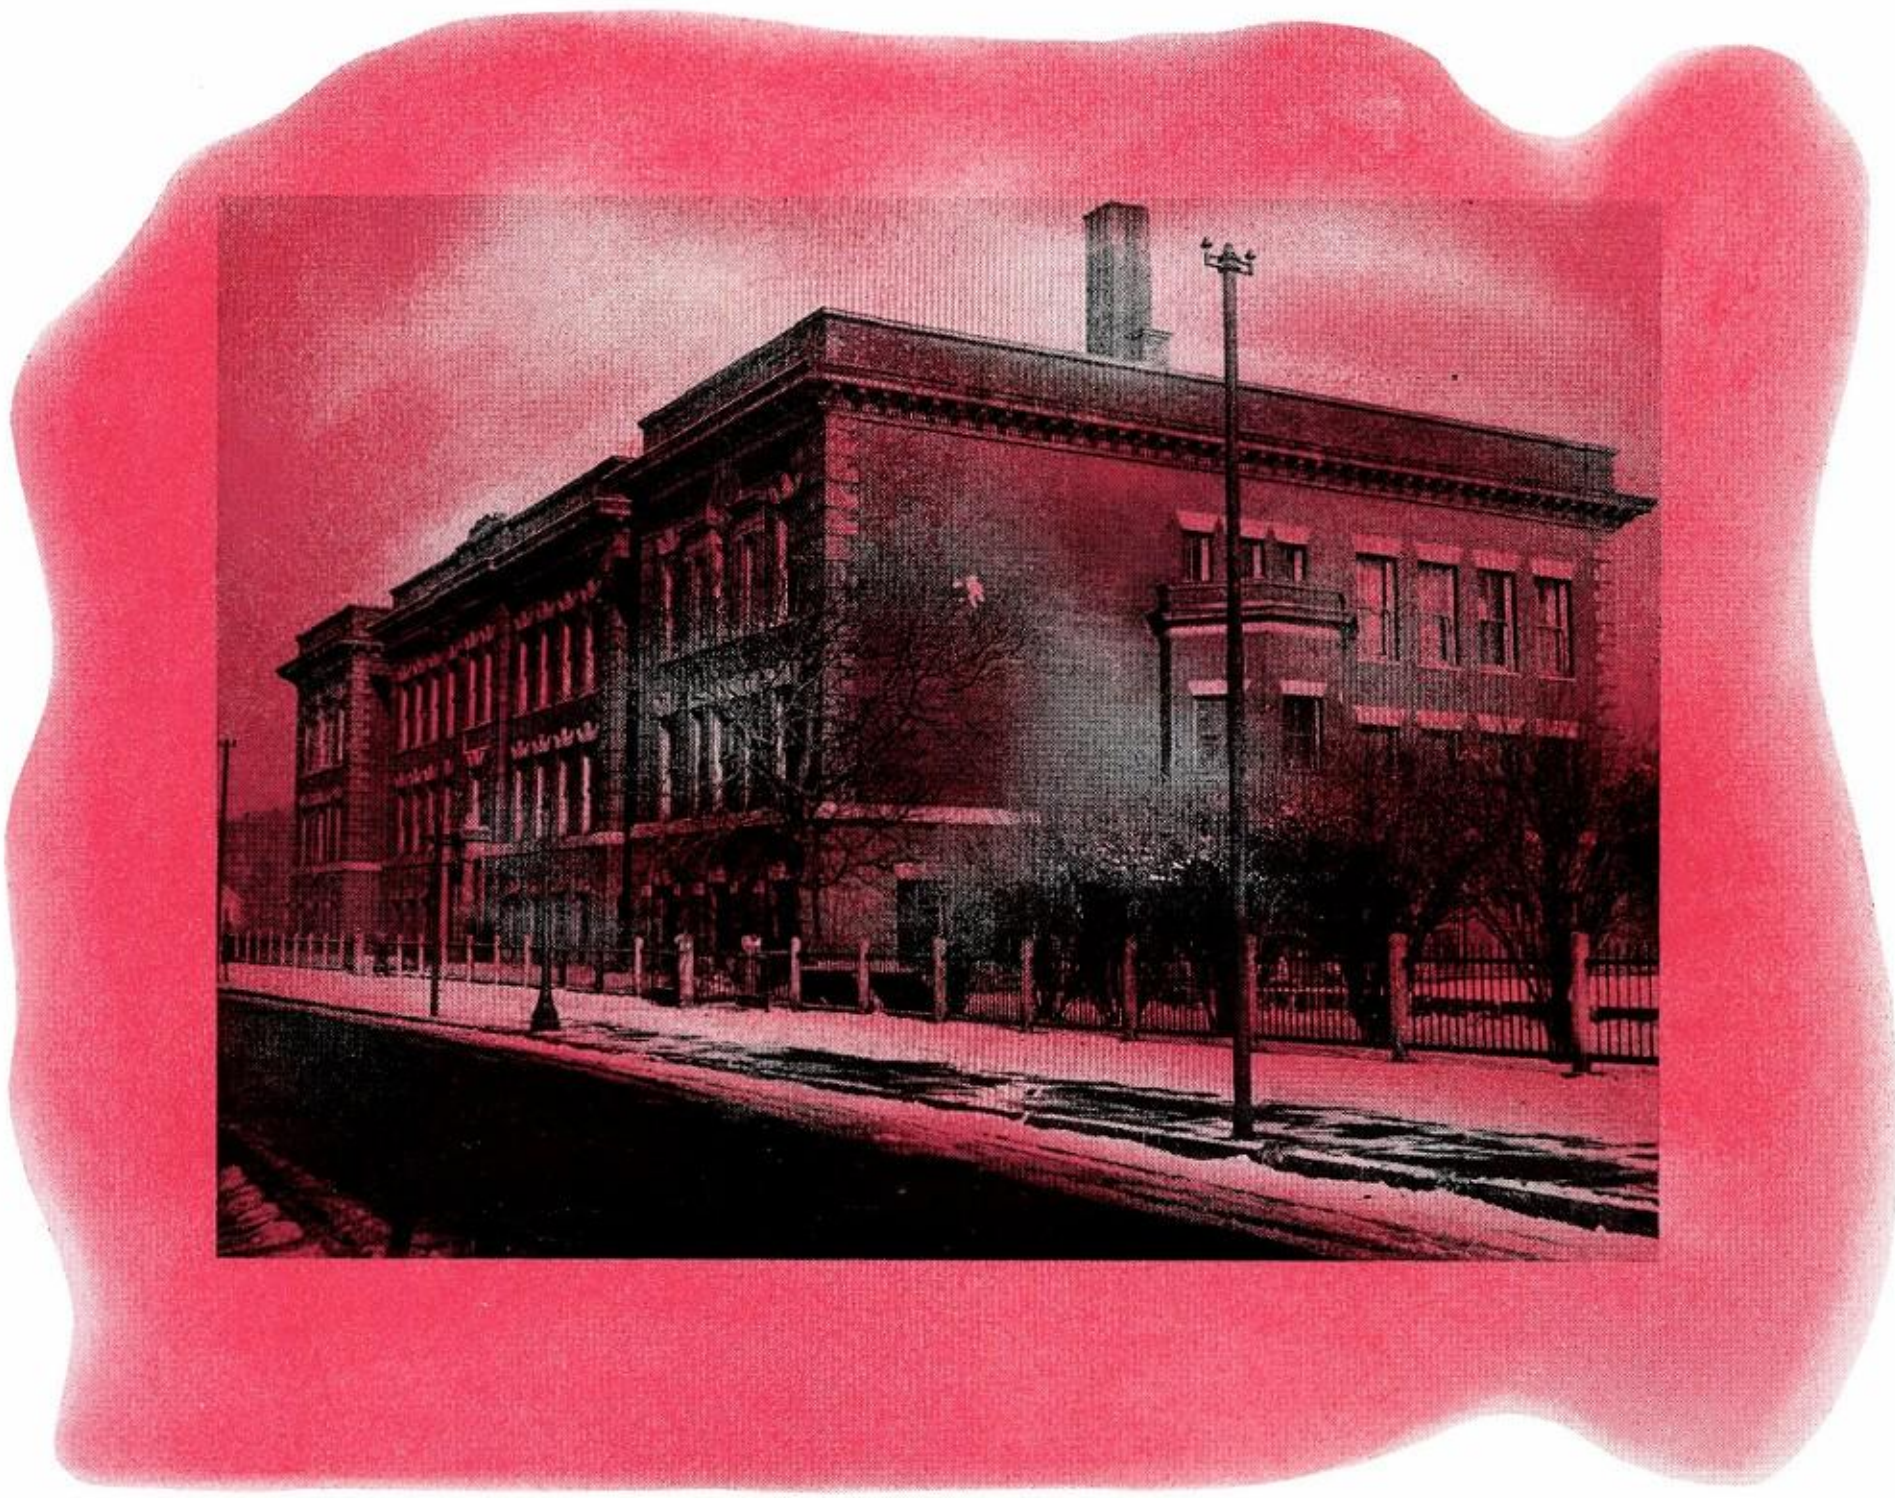
retired in 1935, Miss McKinley dedicated herself to the school, making the welfare of thousands of students her life. After she left, it was necessary to find a dozen teachers to take over her work as Dean of Girls; senior counsellor; sponsor of the Senior Girls' Council; vocational counsellor; scholarship counsellor; welfare worker, securing aid for children with physical defects, and clothing, equipment, carfare and lunches for needy children.

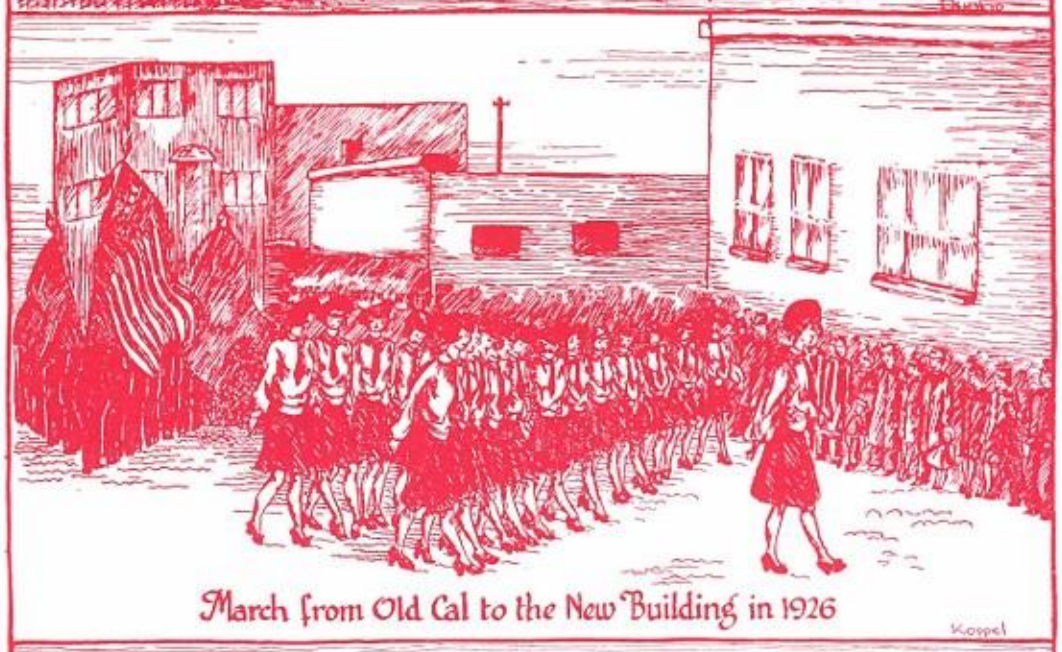
Miss Victoria Adams, history teacher at Cal from 1895 to 1921, upon her retirement gave the school library 500 history reference books, which she had collected as reviewer for the American Historical Society. Upon her death Miss Adams, a descendent of Pres. John Adams, established a trust fund of $85,000 to finance scholarships to the University of Chicago for Calumet students majoring in history.

Although Cal's student body was small in number, they were taking many honors. Probably the most notable achievement was made in later years by Dr. Frank Smithies, who was awarded the French Cross of the Legion of Honor for his work in the field of asthma.

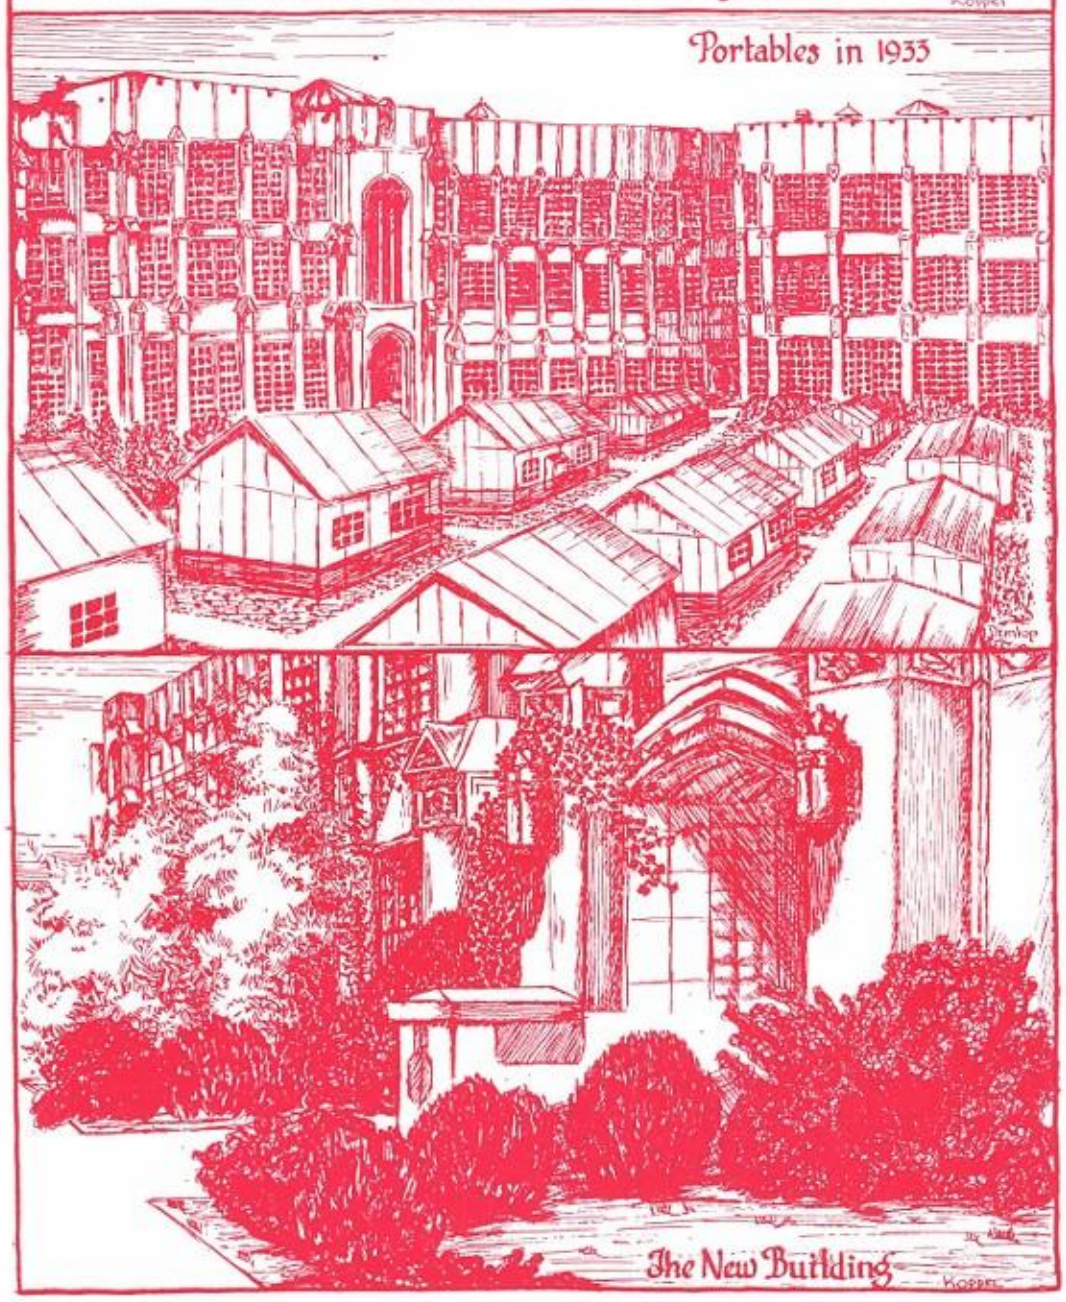
The third floor was finished off and converted into an assembly hall. It was but a short time until classes, (one of which might be a music class) had to be held in the four corners of the hall. Additions were continually being added to the building, however, making its student capacity larger. Many pupils required from an hour to an hour and a half to reach school, traveling in unheated horse cars with only a layer of straw on the floor to keep their feet warm and walking nearly a mile across the prairie. So in 1899, a branch was opened at 117th and Clark at the Curtis (Fenger) School.

But the students didn't like being isolated from the main school so the Board rented the Ten Mile House just back of Calumet and used it as a branch for freshmen. Built in 1837, the year Chicago received its charter, on land obtained directly from the government as a federal land grant, the Ten Mile House was the oldest building in the community. Its sills were





March from Old Cal to the New Building in 1926



small logs surfaced on the upper side by hand with an ax; its laths were also made by hand. It was named to show its distance from the Chicago River along the old Indian trail, Vincennes Trace (Avenue), over which goods were transported by pony pack to Vincennes, Indiana. Some of it was shortly rerouted over the State Road (Street) to avoid the worst of the marshland. Old timers tell of how a man on horseback could reach down and dip up drinking water in some low places.

Later the Ten Mile House was referred to as "the Farmers' Tavern" because the truck farmers stopped there overnight on the way to Chicago, usually the Twenty-second Street market, with their produce. It did a thriving business until the railroads superseded the horse and wagon trade. However, it had been abandoned by this time, and was offered Cal for housing its overflow.

In 1897 the front of the building was added and some changes were made in the old part. Six years later a section was added to the south end, after which the building compared favorably with other high schools.

As the population of the city increased, new high schools were established and the district of Calumet High School was reduced repeatedly. The districts of Morgan Park, Fenger, Bowen, Parker, and Lindblom were taken in part or entirely from the original Calumet district. In 1922 there were over 4,000 high school pupils residing in the original district, but those attending Calumet were less than 600.

Most of the territory surrounding the school was a low level prairie covered by endless fields of wild flowers. Until 1905 when drainage devices and sewers were installed, heavy rainfalls brought severe floods and occasionally the school board declared a holiday. In the winter it was possible to ice skate from 79th and Vincennes all the way to Lake Calumet, and in the spring you could go duck hunting along the old drainage ditch at 91st and Racine where water from the spring rains stood six inches to three feet deep, making excellent feeding swamps for the migrating birds. Very often following heavy rains the boys would play on the board side walks along 79th street using them as rafts.

Despite all the additions to the school, however, and the $30,000 worth of new equipment bought in 1913, the old building became increasingly inadequate and finally the grammar school was forced to move into portables erected in the school yard. Attendance soared to even greater heights as soon as the people heard that the Board was planning a new school building, and the old school was soon overcrowded by about 350 extra students.

Mr. Grant Beebe, the second principal of Calumet, decided that the rapidly growing community of Auburn Park needed a modern, well equipped high school building. Appealing to the Board of Education, Mr. Beebe received

permission to start planning the new building. After long months of careful preparation, he submitted tentative floor plan sketches made by the school's mechanical drawing department for a building which would meet the requirements of the district. After being carefully examined, these plans were accepted as the basis of the school which we are now in.

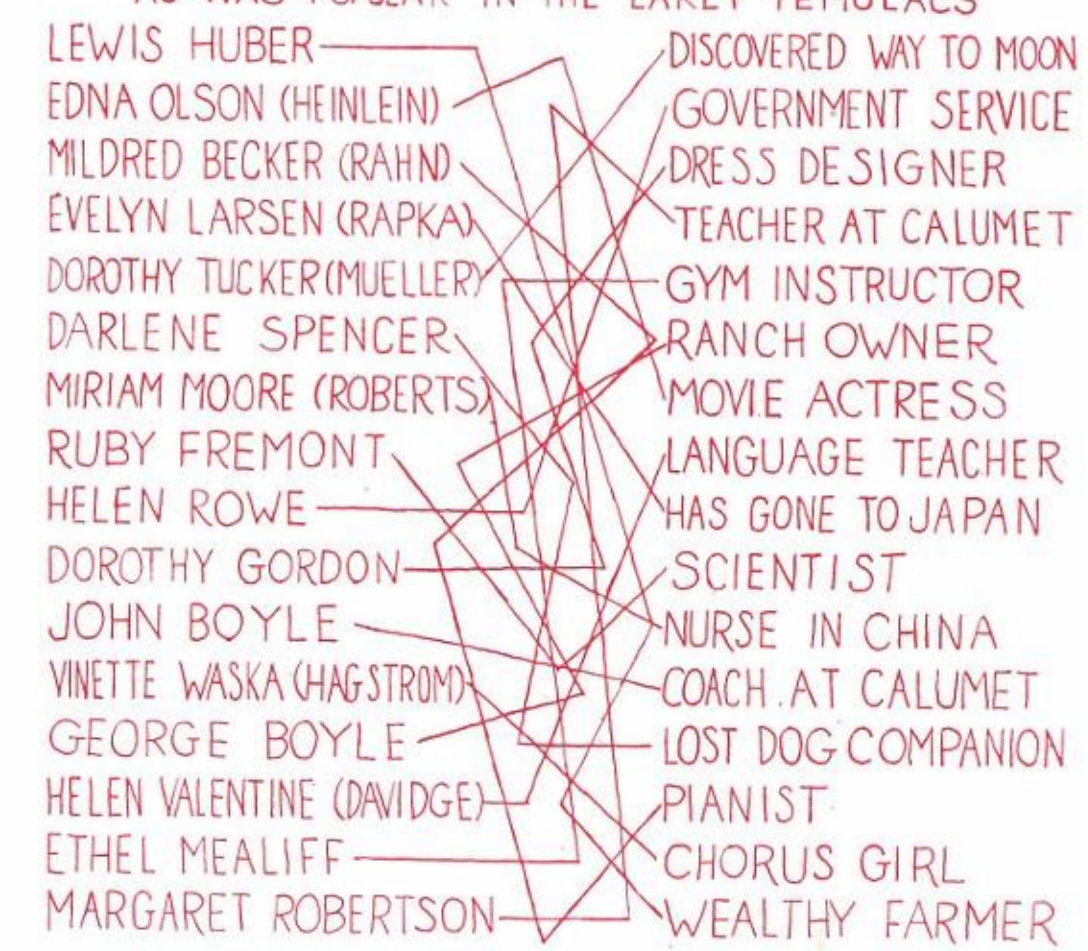
The district southwest of 79th and Halsted was not built up until after World War I. Even though the last of the Hollander truck farmers sold his land about 1908, real estate companies and individuals alike held their property, hoping that prices would go up. In the early '20's, two sub-divisions—Chester Highlands and Chester Highlands Flats—were opened up. The five years between 1923-28 saw one of the most amazing building programs ever witnessed in Chicago — whole blocks of bungalows and two-flats went up almost simultaneously from Green to Damen. And along with the new homes, the new high school building was erected at 81st and May.

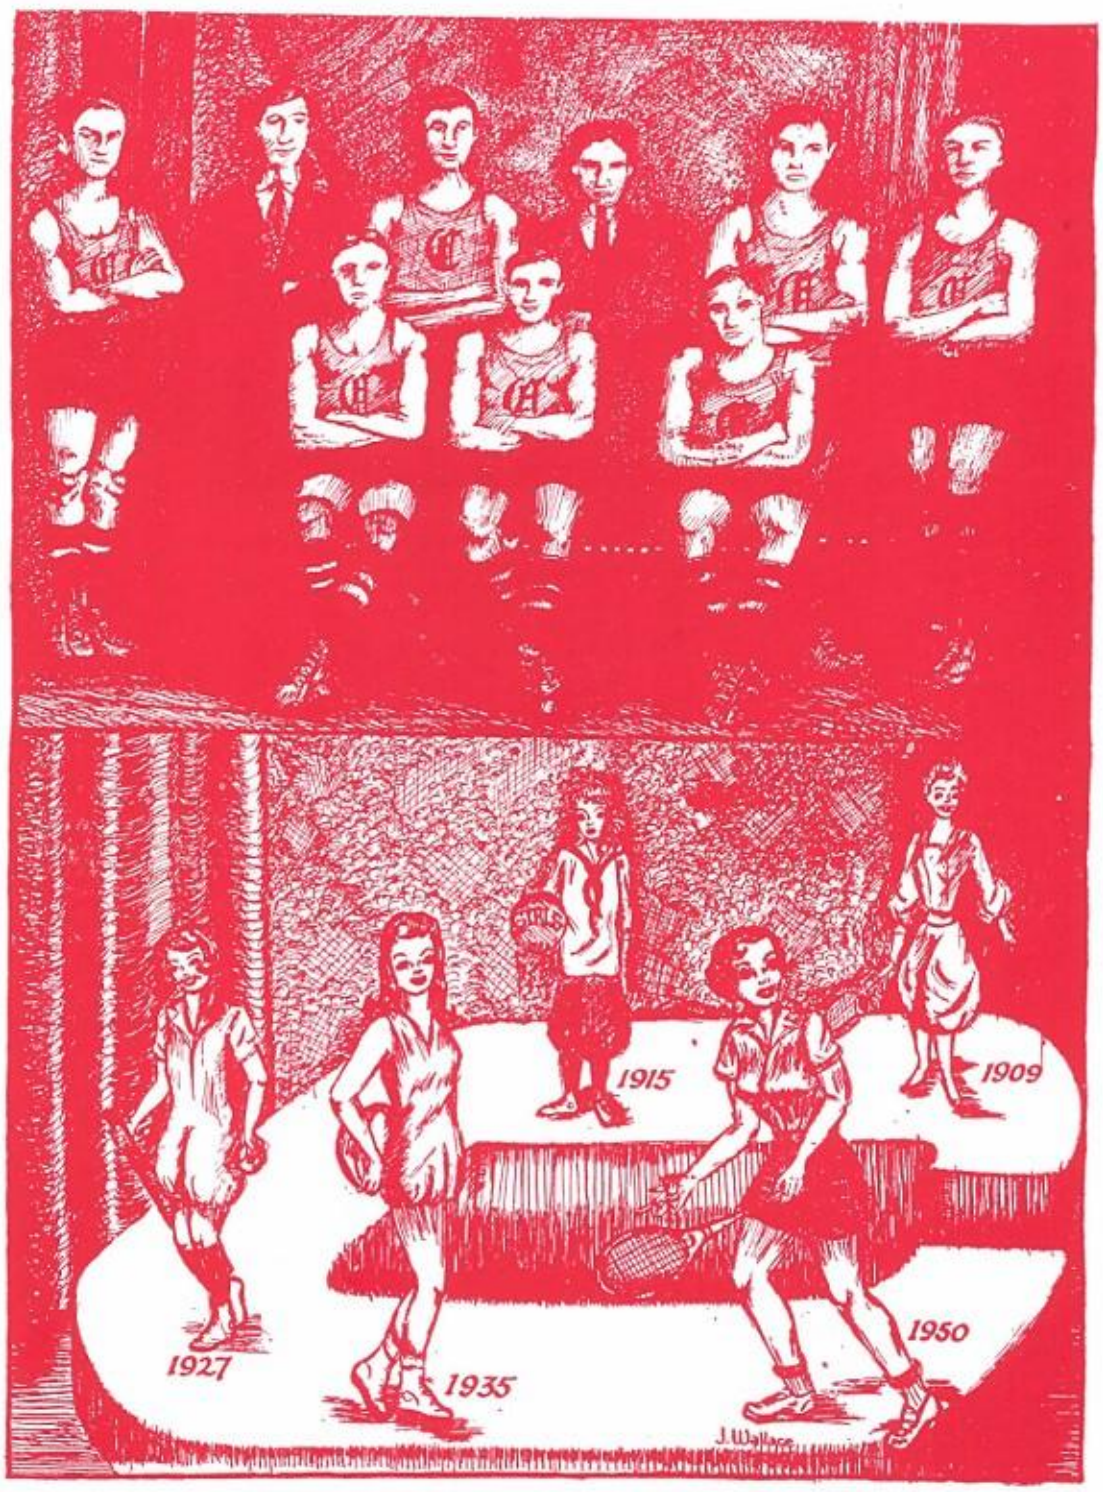
In the fall of 1926, it was not quite ready for occupancy but the freshman divisions moved in and classes were held while the carpenters and electricians finished the interior. It was a bleak, dull day in November of 1926 when the remainder of Calumet's 800 pupils tramped the mile between the old and the new school. Arms loaded with books, drawing boards, sports equipment and as much of their belongings as they could carry, they presented an unforgettable picture, trudging to occupy their new and beautiful school.

Not only did the district grow rapidly but students from all over the south side sought permission to attend. By June 1933 Calumet enrolled 4700 students, a 550% increase since moving into the new building. Fully half of these students were housed in one room portables which crowded the court and filled the athletic field. With their coal stoves and corrugated iron roofs they were anything but comfortable.

Following the economy reorganization by the Board of Education, students were required to attend school in their own districts, and Calumet opened in September with 1100 fewer students than when the school closed in June. Old Calumet (Westcott) was used as a branch and Calumet's 26 portables were soon removed.

World War II changed Cal's history again. She sent 1,954 alumni and students to war, of whom 95 did not return. At home the enrollment dropped, and in September '42 the branch was closed and its students and teachers were moved to the main building. Until 1944 the school was on a double shift with the shops running an extra period, 8:00-4:25. At that time the enrollment dropped to such an extent that the school could go back on single schedule. At present Calumet's enrollment is about 2,500, the number for which the building was originally planned.





MR. GLENN C. WORST

Principal

MR. EDMUND B. DALY

Assistant Principal

Mr. Glenn C. Worst this year celebrated his tenth anniversary as principal of Calumet. During these troubled years the school has had to adjust to war time pressures as well as to post war problems. Only two other principals have served longer than he has. Mr. A. S. Hall organized Calumet as a township high school, and then saw it admitted to Chicago and housed in the Auburn Park Grammar School to which two additions were added in 1897 and 1903. Under him the enrollment grew from 48 to about 600.

When Mr. Hall transferred in 1913, Mr. Grant Beebe succeeded him as principal. Foreseeing a rapid growth of population in the Calumet district, he began making plans for a new building. When the Board of Education purchased the two-block site at 81st and May he had the mechanical drawing classes make the blue prints for the building.

It was Miss Genevieve Melody, however, who moved Calumet into the new building in the fall of '26. She also had the distinction of being the first woman principal of a co-educational high school in Chicago. During her administration, Calumet experienced a phenomenal growth. Following in quick succession after her death in '33, came Mr. Tower, Mr. Jeffrey, Mr. Bartky, and Mr. Downey who served from 1 to 3 years each.

CLASS HISTORY . . . JANUARY, 1950

On our first day at Calumet what cared we—all 219 of us—if our programs were second through tenth with eighth lunch? We were in high school at last! Tardy slips, cut slips, teacher's passes, and our first marks confused and overwhelmed us. But then we began to feel a part of Cal.

Remember when we were sophomores, that wonderful feeling of being important? At last we could decide on our own sequences. Some of us planned on the college prep course, others took the business course, and some majored in shop. The more brawny fellas tried out for the football team and a few succeeded in making third string.

Our last semester was the most eventful one of all. Class elections occupied our minds for the first two weeks when Don Williams was elected Class President. Then the football team began its spectacular season headed by Ralph Olson, captain, and Tom Canny, All State halfback. Senior Girls' Council members chose Marilyn Crawford as president; the National Honor Society picked prexy Bob Rahn; we voted for Pat Markland as Class Orator, and named the ten outstanding students. At last the Prom, graduation practice, our final marks —then it was all over and we were graduated. Yes, it's over but we'll never forget our high school days at Cal.

With rings on their fingers—.
The senior slouch.
(It took plenty of practice to be that good!)
Can this be me?

Ah, good old chemistry.
Life is just a bouquet of glads.
Professor, which one is to be the lucky college?

CLASS HISTORY . . . JUNE, 1950

On September 6, 1946, 472 freshies, clutching their briefcases, took their first look at Cal. We were awed by the seniors slowly meandering down the halls while we ran breathlessly from room to room.

As sophomores we traded our algebras for geometry books, and to our utter amazement discovered the proper term for humans was homo sapien. The girls took Foods, trying to prove to the boys what wonderful cooks they were.

"Four score and seven years" was on the agenda in our junior year. An autobiography had to be written and *The House of Seven Gables* read for English. Our interest was centered next around the A.C.C.L. elections. Candidates for office racked their brains for new ideas to get publicity. When the results were announced after two days of counting, Skip Anderson was president.

Jim Fleischer was elected 4A president and Rita Winkler headed the Senior Girls' Council.

Some of us are leaving for college, some for work and others for marriage. It's hard to say good-bye to all the fun we've had these last four years. But we know as we hear the music of Pomp and Circumstance, that even though we may never return, Cal will always live in our hearts.

ACTIVITIES

BAND

A sixty-five piece band, under the guidance of director, Mr. Louis Lason, and president, Bob Rendelman, won an S rating in a city-wide concert on April 11, playing *His Honor* march, *Niobe* and *Eroica*. Last year the band also won an S rating, but with only forty-five pieces. Their playing has added to the enjoyment of football games, assemblies, the Clean-Up parade, the Spring Concert, and graduation.

The band has a long and distinguished history as a student activity at Cal. In 1916, Frank Mezek, a student, formed an orchestra, but it wasn't until 1918 that Mr. Henderson started a band, instructing it one period a week. The next year he taught a band of twenty-six members a full day each week. In 1920, the band really got down to business, playing every day. The PTA encouraged the band's growth by providing instruments and uniforms.

In 1920 three small handwritten weeklies were started, "The Room 18 Gazette", "The Cootie Garage", and the "Beer Mug". These were cartoons and news items written by hand on any convenient sheet of paper and handed about among the students. A teacher, confiscating a copy in class, thought it had possibilities. And on November 14, 1921, the first edition of the newly organized CALNUZ was published. Because of hard times only four editions were printed that year. But after 1922, it became a bi-weekly. On December 2, 1926, the CALNUZ became the CALUMET CRIER, and a few years later a weekly.

The *Crier* has taken many awards through the years. Second honors in the National Scholastic

Press Association were taken in 1928 and 1929. Distinguished Rating Certificates were awarded in 1929, '30, and '31. The All-American rating was awarded to the *Crier* from 1933 until 1940. Special mention from Columbia University was received in '33 and '35. In '35 and '36 the Quill and Scroll awarded the International Award to the *Crier*. In 1940 the *Crier* achieved award of awards — first place over all the high school weeklies published in the United States.

Recently the *Crier* has not entered these contests because the staff feels that the students enjoy such features as Senior Alley and Undergrad Avenue which these judgings would require to be omitted.

Although the *Temulac* was started in 1909 as a monthly publication put out by the Junior Class, it was not until 1912 that the June issue was used as a yearbook. This book featured stories, poems, a class prophecy, a will, a horoscope, and a one page photograph of the graductes—the only one in the book. In 1915 the *Temulac* was presented to the school in the form of an annual. The only year a *Temulac* was not published was 1916. In 1922 and 1944, both January and June issues of the book were published. The '44 issues were war time books called *V-Tems* with paper covers and contained mainly graduates' pictures.

The *Temulac* has modernized! The appearance of recent issues differs greatly from early ones. Brightly colored board covers have replaced drab paper ones. The trend is toward more pictures, both groups and casuals, with close-ups replacing small figures. For two years we have printed pictures of *all* students who wished them in the yearbook—a custom discontinued for 20 years while our enrollment was very large. Reading matter is now at a minimum. Class prophecy and will now appear in the *Crier* rather than the yearbook. Bleeding edges have superseded wide margins and art borders.

SENIOR GIRLS' COUNCIL

A Senior Girls' Club was started in 1922 to promote social standards in the school. The club supervised the social hours and gave athletic spreads for the teams. Girls were selected by the club sponsor with the help of the session teachers. In 1929 the group was called the Senior Girls' Council. In order to become a member now a girl must have a G+ average, be recommended by her session teacher, and approved by the faculty.

The girls give invaluable aid at the beginning of each semester by tabulating class memberships so classes can be balanced. Members can be easily identified by their trim outfits: blue skirts and white blouses bearing triangular emblems with the letters S.G.C. The council presents two dances during the school year. "Royal Rhapsody", the fall dance, was held at Hamilton Park Fieldhouse and "Hiawatha Hop", the S.G.C. spring presentation, at Ridge Park. At each of these dances a king and queen were chosen by drawing numbers. Ronald Arend and Dorothy Schranz reigned at the fall dance and Marilyn O'Brien and Jack Hildebrandt at the Hop.

The council is under the able sponsorship of Miss Mildred Erhart and its officers for this year were: president, Marilyn Crawford, Rita Winkler; vice president, Pat Markland, Connie Wilde; secretary, Gerry Caldwell, Joan Kurowski; treasurer, Mary Ellen Hennessy, Marilyn Majewski.

Military training was started in the Chicago high schools in 1916 by civic leaders and business men who paid for equipment and instruction. The National Defense Act of 1920 established the Reserve Officers Training Corps and at that time took over the then operating military training in the Chicago high schools. The R.O.T.C. was first started at Cal in 1922.

Calumet has always been proud of its R.O.T.C. unit, as well it might be. Cal has taken first place in the Rifle Competition for three years, second place once, and has been awarded honor school streamers for 12 years. The streamers are on the school colors in Mr. Worst's office. This year Cal was the district champion in the Herald-American City Rifle Competition.

In 1943 Cal's marching men won the city Picked Platoon Competition. 1948 proved to be a big year for the RO's sharp-shooters who were the click-champs of the Chicago High School Athletic Association. Federal inspection is the incentive behind the cadets' work. A big reward came in 1942 when Calumet was placed second in the Chicago Area by the Army inspectors. This year our Picked Platoon placed second in our section coming in next to Lindblom who won the city championship.

A good unit must have competent instructors. At Calumet, Capt. L. E. Moncrief is our Assistant Professor of Military Science and Tactics with Sgts. C. C. Brehm and R. J. Adams as his aids. Sgt. 1st Class Adams joined the R.O.T.C.'s staff last year after serving with the 7th Army in Europe.

GIRLS' RIFLE CLUB

The Girls' Rifle Club was formed in September 1948 by Sergeant Chester Brehm. This year the girls named themselves the "Shooting Stars". Members must have a "G" average and seventh, eighth, or ninth period free. They must pass a written examination after a three week lecture course and show accurate shooting ability. Letters are awarded to all members at the end of each semester. Ann Reedy succeeded Esther Phillipson as Captain for the spring semester.

JUNIOR RED CROSS

The Calumet Junior Red Cross, under the sponsorship of Mrs. Davidge started after the bombing of Pearl Harbor. The club held "sock hops" in the girls' gym to raise money for buying first aid and other equipment for the boys overseas.

Last semester with Shirley Daluga acting as president the club made stuffed dolls for the veterans' children, and later with Virgie O'Brien as president, they made books of puzzles and jokes for the veterans hospitals.

A CAPPELLA CHOIR

The Calumet A Cappella began as separate glee clubs for boys and girls. In 1930 it evolved into a mixed chorus under Miss Blood. Seven years later Miss Bertha Caspers named it the A Cappella Choir.

During the past year the A Cappella has sung for the Freshie and Christmas assemblies, the dedication of the YMCA, and Spring Concert.

After four semesters in the choir a letter is awarded and a bar is added for each additional semester. A gold pin is given after six semesters.

Officers for the spring semester were Bob Matt, president; Chuck Mangold, veep; Jackie Alstadt, secretary; and Ann Reedy, treasurer.

GIRLS' CHORUS

The Girls' Glee Club began in 1912 with 21 members under Miss Jackson. It was named the Girls' Chorus in 1939 by Miss Blood.

This year the girls sang at the Christmas assembly, Spring Concert and for the veterans at Hines Hospital. A Get Acquainted party and a picnic at the Sand Dunes were among their social activities. Naomi Williams was president during the spring semester.

C. A. L.

C.A.L. was organized in 1928 by Miss Louise Randall to help students locate and mend books and magazines and check books out and in. It is the only club in the school whose purpose is to help their fellow students. Letters are awarded for four semesters' service in the library. Among C.A.L.'s interesting activities is a visit to the John Crerar Library.

DRAMA CLUB

The Drama Club has come to life! Under the direction of Mrs. Ruth Burton and Mr. Frank Ross, it became very active this year. The P.T.A. sparked this increased activity by furnishing room 249, as a Little Theater. Here the club put on three one-act plays: a Christmas play, "The Boy Who Didn't Belong", and an "Afternoon of One-Acts", which included "Nobody Home", and "Butch".

When Calumet was a small school in the old building, it was traditional for the Junior Class to present an annual play, the proceeds of which were used to fete the Seniors. The proceeds of the Senior play defrayed graduation expenses. But when the school moved into the new building in 1927, a dramatic club was organized to present plays. The enrollment of the school was growing so rapidly that class plays were no longer practical. The Thespians that year presented a three act play and charged admission, to obtain money to pay their expenses. Since that precedent, Calumet has had no junior or senior class plays. Thereafter the Drama Club, aided by the Paint and Powder Club who did the makeup work, presented one act plays and variety shows.

N CLUB

It was just twenty years ago that several Cal girls acquired horse-sense by beginning an Equestrienne Club under the sponsorship of Miss Ethel Mealiff.

The girls celebrated their tenth anniversary with a breakfast ride, which was followed by sleepy-eyes, empty tummies—and eventually breakfast. News of their activities spread like wildfire through Cal until everyone was clamoring to join. This—and their new sponsor, Mr. Whitman,—resulted, in '43, in a male invasion and a change of name from Equestrienne to Equestrian.

This year Bob Matt is holding the reins as president, with Jean Black as vice president, and Carol Shields doubling as secretary and treasurer. Bob and Jean received trophies for completing 200 rides. Miss Ethel Hyman is pinch-hitting as sponsor for Mr. Elwood Smith who is on sabatical leave.

CLUB

Calumet proudly salutes its Latin Club under the interested sponsorship of Miss Edith Boyd, Calumet Latin teacher.

This last year, due to the hospitalization of Miss Boyd, the Latin Club has been less active than in past semesters but all are hoping and looking forward to the time when Miss Boyd will again resume her active work in the club.

One of Cal's oldest clubs, the Latin Club was organized in 1921 by Miss Alice McKinley's Caesar class to promote a greater understanding of the life and culture of the Latins. Slides, talks and class discussions contribute to the attainment of this goal.

Present officers of the club are: president, Mary Alice Law; vice president, Mary Alevizos; secretary, Marie Chicos; treasurer, Ronald Zenke.

GERMAN CLUB

Der Deutsche Verein, the oldest of the language clubs, began in 1911. Although it was reorganized in 1928 by Mr. Bechtolt and Miss Stellar as Deutsche Geselshavt, it returned to its original name in 1947. Now sponsored by Miss Josephine Martin, the club plans parties, and holds meetings where its members enjoy movies, play games, and sing songs.

SPANISH CLUB

In 1917 El Circulo De Espanol was organized to promote conversational Spanish. In 1946 the name was changed to Amigos Pan Americanos to emphasize their interest in sponsoring fellowship with our South American neighbors. This year the club sponsored by Mrs. Murray attended the Villa, held parties, and showed movies. For the first time letters will be awarded for four semesters' membership.

OFFICE ASSISTANTS

Students who work in the office as assistants to Miss McNally, Mrs. English, or Mrs. Lindquist must have a "G" average and be recommended by two teachers. Taking messages, typing, sorting and distributing mail, mimeographing bulletins and absent sheets are among their duties.

ADJUSTMENT OFFICE ASSISTANTS

Hand scoring and recording the scores of the achievement tests, typing, running errands, and keeping the cumulative folders in order and up to date are the duties of the adjustment office assistants. The girls record the names of students who leave, send out the folders of transferring students, and file other folders in the "Left" file.

ATTENDANCE OFFICE

Room 140, the attendance office, was first introduced to Calites in February 1944. At Mr. Worst's suggestion. Mr. Sietsema opened the office with the help of Mr. Casey, Miss Todd, and some students. They are kept busy pulling envelopes, recording tardies and absences and keeping students in class. Before this, division teachers were solely responsible for keeping their students' attendance records.

VOICES

Voices, a poetry magazine featuring student writings, was begun nine semesters ago by Miss Elsie Filippi. It has grown from 14 poems in the first issue to 50 poems and 3 illustrations in the last spring issue. Lee Siple was chosen editor this semester and Barbara Anderson associate editor on the basis of the originality of their editorials. Jean Hinman won first prize for her poem "Cowboys and Indians" and Helene Hughes, second, for "Night".

EXECUTIVE COUNCIL

Ever wonder why all club meeting days and activities run so smoothly? This is due to the work of the Executive Council under the direction of Mr. Edmund Daly. The council is composed of presidents or heads of all clubs and activities in Calumet and meets once every two weeks in room 117. The council tries its best to prevent clashes in meeting days and arranges programs to be given by the different clubs.

CLICK CHICKS

Click Chicks, the girls' camera club, was organized in the fall of 1948 by Joyce Olson for the purpose of furthering the interest of Calumet girls in photography. Demonstrations are given to the club members on the use of their cameras, proper lighting, the use of shadows, and, in general, how to take good pictures. Also, the different parts of the camera and how they are put together are shown. The Click Chicks are sponsored by Mrs. McKinley, who is substituting for Mrs. Retherford.

THE BOOKROOM

In 1941 Miss Rowe, a former teacher at Calumet, set up our bookroom system which is the most efficient in the city. Representatives from many other schools come to observe this system in operation. Any of our 30,000 to 40,000 books can be located at anytime through a master file and a teacher's file. New books are ordered on the basis of the master program and the number of texts per pupil in stock.

THE SAFETY COUNCIL

The Safety Council was started in 1937, as a city-wide organization with a branch in every high school. The main purpose of this club is to register all automobiles, bicycles, and motor scooters which are driven to school by students. There have been many sponsors of this club; the first being Mr. Deegan and the present one Mr. Ahlberg. Since the founding of the Safety Council it has been quite successful in performing its job which is the prevention of accidents.

FIRE MARSHALLS

Directing the exit of students during fire drills is the main duty of Calumet's Fire Marshalls. Their job is to see that the building empties quickly in the event of an emergency. The A.C.C.L., under Mr. Palsedge and student captain Ralph Perers, sponsors the Fire Marshalls.

STAGE HANDS

One of the most underrated groups in the school is the stage hands. Without this selected group from Mr. Hoffman's electric shop, no assembly could be a success. These boys are the men behind the scenes, taking care of lights, curtains, drops, and other props backstage during assemblies and non-school activities.

FILM AND REEL

Lights off! Projector on! And on classroom screens flash educational movies to teach students visually what books can not explain so well.

It is the duty of the movie operators, under Mr. Marshall's direction, to show movies, keep them in running order, and operate the PA system for all of Cal's assemblies.

THE JANUARY PROM

The graduating class of January 1950 held its Senior Prom in the exquisite Crystal Ballroom of the Shoreland Hotel at Lake Shore Drive and 55th Street on Friday the 13th of January. Sweet music was furnished by Lennie Stevens' band with over 100 couples attending. The class was honored with the appearance of Supt. Hunt and his wife, Mr. and Mrs. Worst, and Mr. and Mrs. Daly. The happy couples danced until the wee hours of the morning and then departed for the Boulevard Room, Mayfair Room and other places of interest. A wonderful time was had by all.

Calumet's Honor Society was first organized in 1925. Its members were required to have an E average and be in the upper fourth of their class. In '33, the Honor Society was divided into three sections. A Gold Pin signified that its members had maintained an E average for six consecutive semesters, a Silver Pin four semesters and a Bronze Pin three semesters.

It was in 1937, however, that the Junior Honor Society came into existence to enable freshmen and sophomores to receive adequate recognition for scholastic achievement. To be eligible one needed a G+ average and to be a member of some school organization. The following year the rules were changed, admitting not only freshmen and sophomores to membership but also upper classmen — thus combining the four existing groups into one.

In '45 the requirements for membership were raised. From then until the present time students have been required to have an E average in major subjects for the preceeding semester and from 3 to 7 service points, depending on the semester. This year Miss Jennis Aasen is the sponsor and Russell Nystedt president.

NATIONAL HONOR SOCIETY

In this mid-century year, the Calumet chapter of the National Honor Society celebrated its nineteenth birthday.

The idea of a national honor society for high school students was first suggested at a meeting of Chicago principals in 1919. A committee organized in March 1921 proposed that members of the honor society be selected for scholarship, character, initiative, school leadership, and distinguished service to the school. While some high schools organized chapters the following year, Calumet did not organize an honor society until 1925, and for six years it existed as an exclusively local organization. But in the spring of '31 it was admitted to the National Honor Society of Secondary Schools.

Only the upper fifteen percent of the 4A classes are selected for membership in this organization. The requirements—scholarship, leadership, character and service—are indicated by the letters on the gold pins. Being a member of the National Honor Society is the first step on the stairway to success, besides being a distinctive finale to Calumet life.

The members of this society have gold tassels on their graduation caps, sit on the stage graduation night, receive gold pins and certificates of merit.

Officers for the February and June classes were: president, Bob Rahn and John Jorn; vice president, Tom Canny and Jim Couillard; secretary, Carolyn Coffman and Nita Fitzsimmons; treasurer, Bob Chandler and Juanita Wilkey. Mr. Ault sponsored our chapter this year while Mrs. Roberts was on sabatical leave.

PTA

On January 14, 1914, at the request of Mr. Beebe, Calumet's second principal, a PTA was organized with 24 charter members. It took eleven years of hard work to achieve their first main objective: a new building.

In the meantime, however, the PTA supplied a great deal of equipment for new activities and athletic teams, such as instruments and uniforms for the band and robes for the chorus. They equipped Cal's first football team and provided trophies and spreads for winning soccer and basketball teams—services which have since been taken over by the Dads Club. During the depression, they kept many students in school, providing lunches, carfare and clothing. They organized the Mothers' Chorus and launched their program of child study. They equipped the social room with dishes, silver service and drapes. And the stage with a Hammond organ and a fireproof cycloramic curtain.

This year, for the first time, they included student members on the board of managers, and through panel discussions at open meetings, students have expressed views and suggestions on parental influences. In November the PTA sponsored the Radio Stars Jamboree which provided the Drama Club with a "Little Theatre" completely furnished. They also presented the National Honor Society with pins. A spirit of sincere cooperation and friendliness is evident among faculty, students and parents.

DADS CLUB

Messrs. Sebby, Muffitt, Wright, Haynie, Worst, Weiner, Boller.

THE DADS CLUB

Since the Dads club was organized in the fall of 1948 they have supported all Calumet athletic activities. The club consists of approximately 250 members who are responsible for the football banquet and also the annual football camp held the last week of the summer vacation.

The Dads meet every second Thursday of the month. And their officers are: president, Mr. Muffitt; vice president, Mr. Haynie; secretary, Mr. Weiner; and treasurer, Mr. Sebby. The executive board is made up of 5 members: Mr. Sleman, Mr. Boller, Mr. Allen, Mr. Baxter, Mr. Wright. Mr. Wright is the Past President, Mr. Worst an honorary member, and Mr. Dygert the representative for the school.

ALL-CITY STUDENT COUNCIL

For the first time in the history of the Chicago public schools, Dr. Hunt, Superintendent of Schools, organized the All-City Student Council to promote better fellowship between schools.

On Oct. 20, Kelly played host to the presidents of the student governments of all the high schools but thereafter only the presidents of the 5 districts attended the meetings with Dr. Hunt. Every month the presidents and vice-presidents of the student governments of the high schools of each of the districts meet. Skip Anderson, president of our ACCL, is vice-president of District 5 of which Mr. O. F. Fowler is the district superintendent.

ALL CALUMET

The A.C.C.L. was organized in 1925 as the Rooters' Club to support athletics, and membership was open to anyone who had performed a service to Calumet. The opening of membership to the entire student body resulted in such broadening of functions that the club outgrew its original purpose and in 1931 became the All Calumet Civic League.

The first assembly this year was the "Truth or Consequences" assembly, followed by Bob Gordon and his study of personalities with caricatures, the Talent Show, the Television Demonstration and the Clean-Up assembly. The club also has charge of the Friday evening socials, as well as all charity drives, in which the entire school participates. As one of its projects this year, the A.C.C.L. bought four lovely paintings that are hung in 117.

Mr. Palsedge sponsors this active school organization and the student leaders are: Skip Anderson, president; Bob Springer, vice president; Norma Couser, secretary; Muriel Sutherland, treasurer; Mike Cushing, director of activities; Joan Loomis, director of Clean-Up; Beth Rittenhouse, director of publicity; George Lynch, election commissioner.

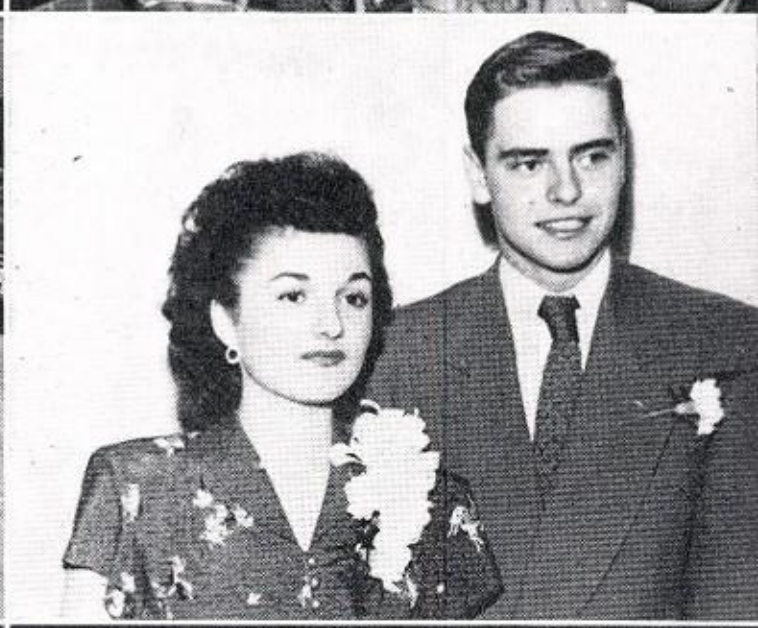
CLEAN-UP COMMITTEE

Under the guidance of Mr. Palsedge and Joan Loomis, student director, the 1950 year-round clean-up campaign began. Cleaning up the school grounds, neighborhood, and homes was mainly concentrated on. The committee was selected and went to work immediately.

Posters with clean-up slogans were put up. A luncheon was held to which the principal and one student from each elementary school were invited. Members of the committee went to the grammar schools and gave talks. The parade consisted of decorated cars and floats, its purpose being to advertise the campaign to the community. At the assembly, the King and Queen, Mike Cushing and Joan Wallace, and the Spot-light singers, Eleanor Mellas and George Lynch, were introduced. The Spring Carnival was held at Ridge Park Fieldhouse, April twenty-second with Lenny Stevens and his band playing dreamy music. The Clean-Up dance was the culmination of a successful campaign. Then on May fifth every chairman handed in his annual report to Mr. Palsedge. These reports went to the District Superintendent for grading.



Equestrian Club cleaned and moved Lincoln's bust into the library.

Talent Show Winners were acclaimed enthusiastically.

FOOTBALL

Only the thunder of Fenger and CVS was able to drown out the cry of the Calumet Indians as they fought for gridiron supremacy last season under their new mentor, Frank Vokac, and Captain Ralph Olsen. After a heartbreaking loss to Fenger 22 to 21 in the last minute and 14 seconds, they placed fourth in South Section. Tom Canny, an ace backfield man and a great defensive player, rolled up the largest amount of yardage in the Public League, proving himself to be the most valuable player on the team. Ron Vickers, Ralph Peterson and Rich Erickson, driving backs, along with Bill Farrell, Fred Peterson, and Chuck Wright, brilliant ends, played their last game for Cal. Hard work on the part of Ed Hanley, Dick Costin, and "Bubbles" Strasser contributed to the success of the team. Centers George Lynch and Ken Nordquist, and quarterback Chuck Arnold also turned in nice work. The veterans of next season's team will be Capt. Don Stage, Ken Englehardt, Ben Letierre, Bud Binder, Richard Johnson, and Jim Keenan.

BASKETBALL

In spite of their enthusiastic following, the Senior Basketball team this season did not have the luck of last year's team. They finished in second place in the South Section. The Indians opened up the section race at CVS, losing an early lead, to end the game 51 to 40. They then edged out Parker 48 to 44 and whipped South Shore 61 to 52. At Hirsch they received a 40 to 35 loss. The Seniors won their last six games, beating Harper, Carver (101 to 40), Hyde Park, Morgan Park, Bowen, and ended the season by beating Fenger, their traditional rival, 51 to 45.

Paced by Nystedt's 21 points, Calumet edged out McKinley, 46 to 43, in the first city playoff game. In the quarter-finals, Marshall's high-geared attack mauled Calumet 60 to 36. Russ Nystedt made the Public League All-Stars; Bill Terpinas and Marv Spallina received Honorable Mention.

Calumet entered the Illinois Tech Tournament as a dark horse but finished in fourth place. They opened tournament play by routing Kelly 46 to 27 and followed with a thrilling 48 to 42 victory over Von Stuben, winning with a last quarter rally sparked by Russ Nystedt and Marv Spallina. Calumet beat Parker for their third straight victory of the tournament 42 to 35, but then lost a heartbreaker to CVS 46 to 45, when Len Bruno made a basket with 7 seconds remaining. Their disappointment was increased when they lost to Senn 56 to 49 in the last two minutes of play.

The unpredictable Juniors, under Captain Ron O'Brien, started the season by losing to CVS, Parker, and South Shore, by scores of 64 to 40, 49 to 36, and 48 to 43 respectively. They then beat Hirsch 29 to 27, Harper 44 to 31, and Carver 50 to 46, making it three wins in a row. They lost to Hyde Park 39 to 37, but finished the South Section race by beating Morgan Park 44 to 22 and Fenger 46 to 29. They lost in sudden death overtime to Bowen 39 to 37.

WRESTLING TEAM

Cal's Grunt 'n' Groaners, under Coach Eddie Dygert, had a moderately successful season, winning 10 out of 24 matches. They were weakened considerably in the middle of the season when they lost Strasser, Carlstrom, Varnes, and Crooks through graduation. The team, however, was strong enough to place four men in the state finals at Proviso High School.

Bill Strasser, city heavyweight champion, and Ken Nordquist, second place winner in the city, were co-captains. Dan Storey won a second place award in the 133 pound division, while Bob Smith and Jerry Kelly both took fourth place in their weights. As a team, Cal's wrestlers were outstanding due to the ability of Erickson, Blair, Springer, Wanda, O'Toole, Mattaliano, Kink, Smith, Turner, and Schmidt.

Row 1: Layton, Turner, Nordquist, Strasser, Varnes, Carlstrom, Storey, Chacos.

Row 2: Hunnell (Mgr.), Smith, O'Toole, Kelly, Wanda, Crooks, Mattaliano, Blair, Reutter, De Vries, Miller, Mr. Dygert.

Row 3: Kink, Springer, Wurtz, Royer, Williams, Matz, Landro, Embree, Schmidt, Nauman, McCullough, Erickson, Sypnewski.

TRACK

For the first time in many years real enthusiasm for track was evident this spring. A small but zealous group began pre-season practice in the second floor corridor weeks in advance of the opening practice date. When the final call for candidates was sounded, the squad was greatly increased with a wealth of track ability.

Steve Murphy, city mile champ who came back again this year to successfully defend his title, paced the squad. Coach Frank Vokac discovered several recruits with remarkable possibilities. These included the relay team of Peterson, Lexow, Jach, and Cushing. Shot-putters who showed promise were Jacobson, Kalimirr and Fred Peterson. Other members of the team were Jorn, Beil and Anderson, broad-jumpers; Greenan, Bjork, and R. Johnson, hurdlers. The Indian high jumper was Anderson. Representing Cal in the 100 yard dash were Lexow, Jach, Jorn, and Cushing, while entrants in the 200 yard dash were Peterson, Jach, and Lexow.

One of the best Junior events was the relay team—DelBarba, Diesel, Olson. Michalski. Other events were the 60 yard dash—Diesel, Olson; shot-put (8 pounds)—Diesel; 440 yard dash—Vaughn, Gascoyne; 660 yard dash—LaRoy; and the broad-jump—Michalski and DelBarba.

BASEBALL

Calumet's baseball team got an exceptionally late start this year. All practice games had to be canceled because of rain.

But in spite of this handicap the team began its 1950 season by defeating Hirsch and Morgan Park. However, they had to come from behind to beat a scrappy Morgan Park ball club. Trailing 3 to 1 at the end of the fifth inning, the Indians scored successive runs in the last three innings to win 4 to 3. Harper was the first South Section team to beat the Indians. They shut Cal out 2 to 0. A dropped fly-ball gave them the run which eventually decided the contest.

Despite the loss of most of his '49 team, John Ivers, Indian coach, found suitable replacements for most of the positions. Bill Lutz, Al Weidner, and Jerry Arnold were pitchers; Bud Buehler and Gene Brockman catchers; Ed Callen, Gene Golden, Harvey Albright, and Russ Nystedt rounded out a smooth infield, and Mike Crane, Rich Erickson, Ron Duffy, Ed O'-Donnell, and Carl Prenner covered the outfield.

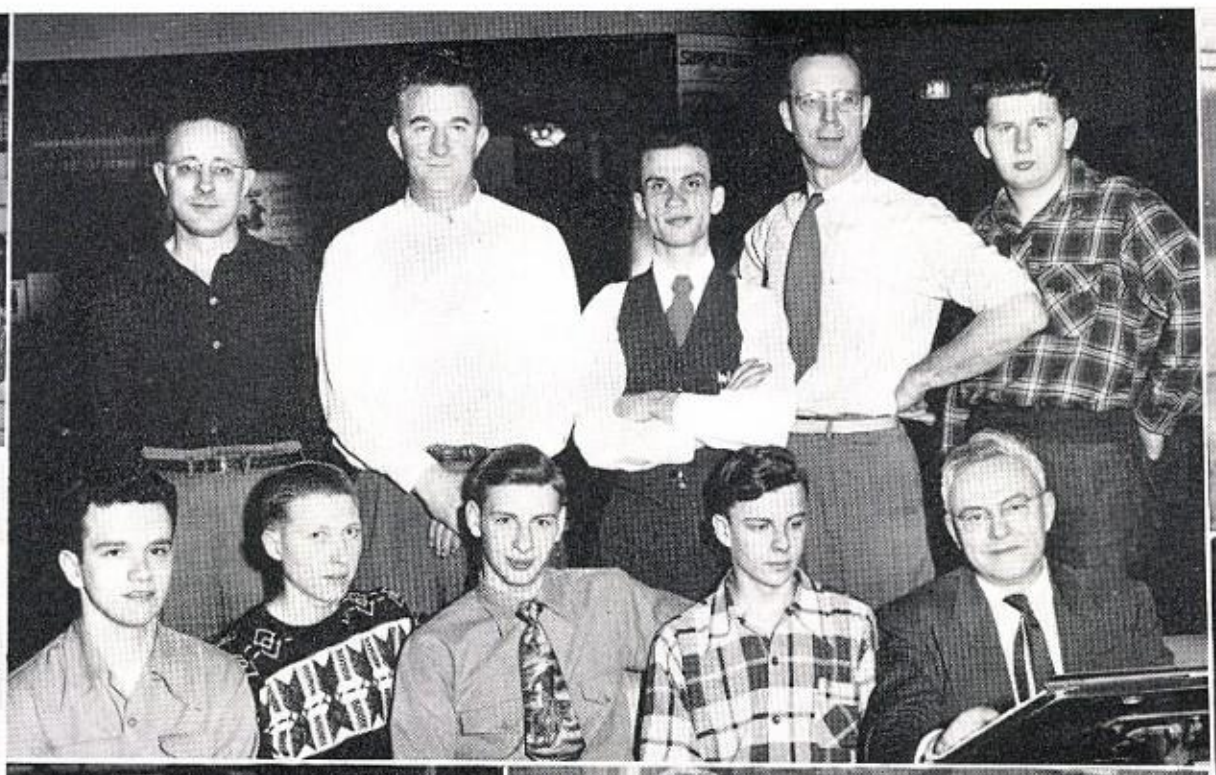
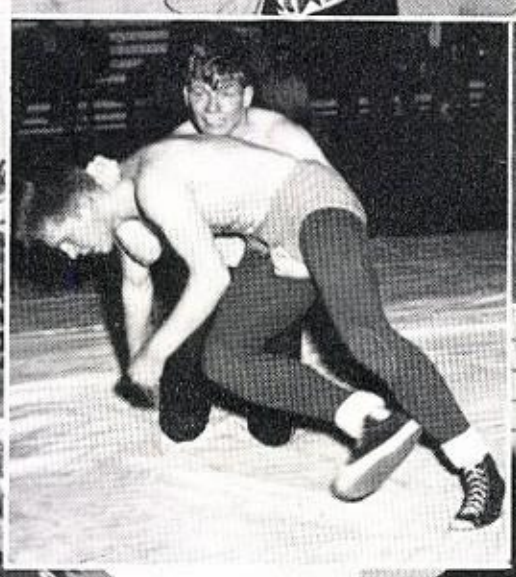
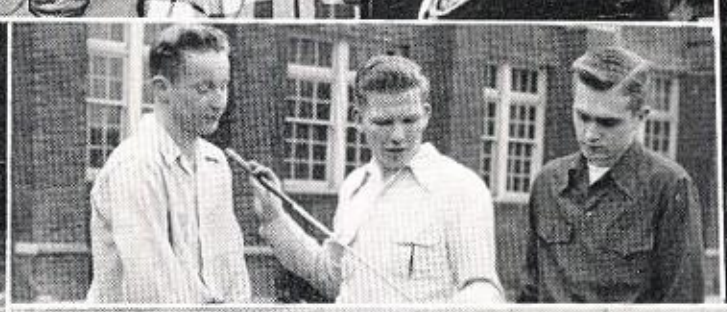
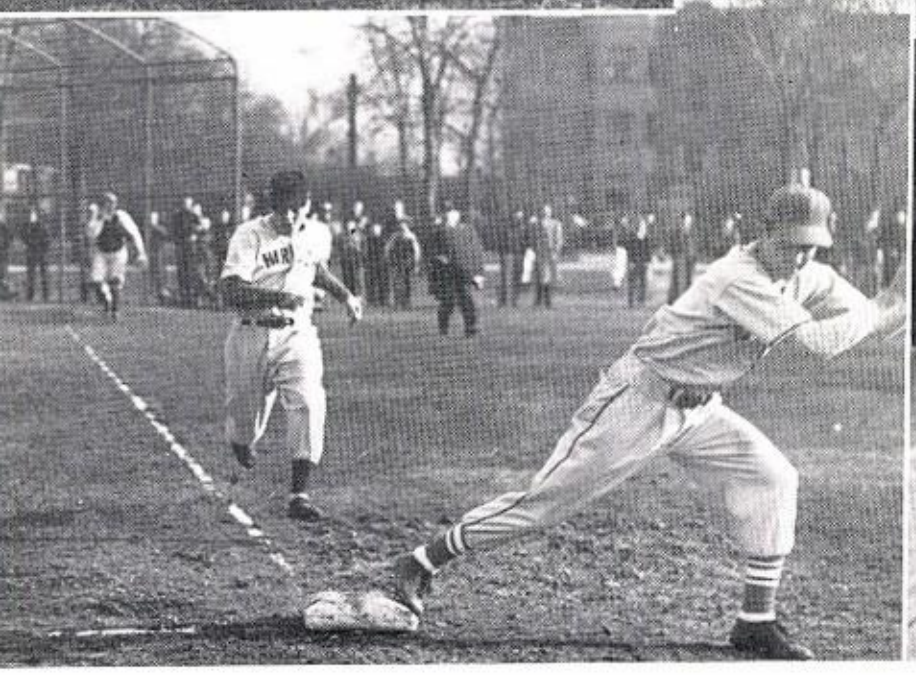
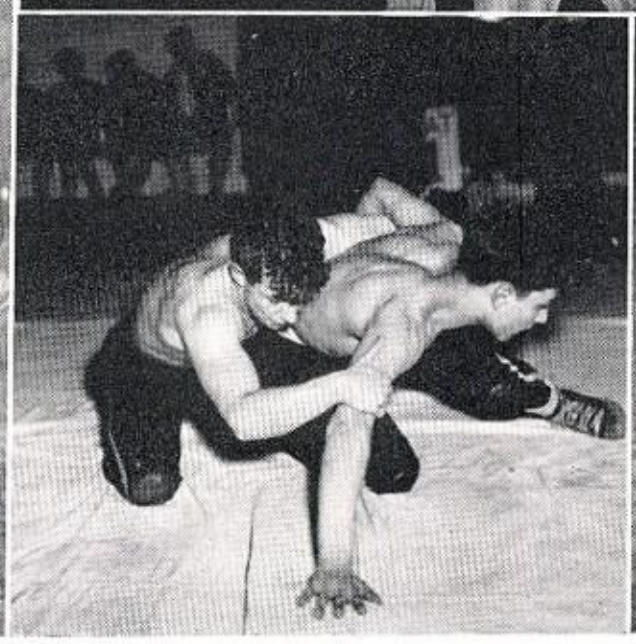
GH THE YEAR

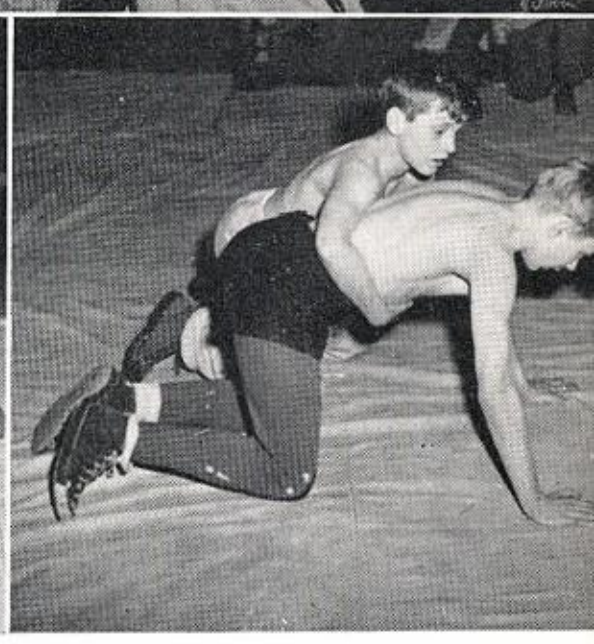












BOYS' BOWLING CLUB

The boys' Bowling Club consists of eight teams with five boys on each team. Sponsored by Mr. Gustav Schuessler, the boys meet every Tuesday, at Highland Bowling Alley during the 21 week season. Each team bowls all other teams three times. The "Blue Ribbons" captured first place and the members received trophies. The "Holy Rollers" fought their way up from last place to receive gold medals for second place.

Twenty-four boys participated in the All-City Tournament, either in singles or doubles. The winners were Ralph Perers, Frank Marcheloniss, Joe Kostein, and Ronald Dissette. Each boy received a trophy.

At the end of the season a banquet was held at the Stevens Hotel. And in a post-season game the boys—Marlas, Fortin, Jaeger, and Marechal—were trounced by a faculty team—Daly, Lason, Huber, and Palsedge.

GIRLS' BOWLING CLUB

The Girls' Bowling Club was started in 1936. Sponsored by the G.A.A., 100 girls practiced in the girls' gym with duck pins. Five alleys were set up with one reserved for advanced bowlers. After the girls had acquired enough skill, they went to Highland Bowling Alley where they competed against other schools. The highest scorers received bowling balls and gold medals.

Today, 56 girls meet at Chatham Bowling Alley every Wednesday at 3:30 under the supervision of Mrs. Davidge. Lorabelle Pavlak, manager for the last two and a half years, and Sharlene Boushelle for the spring semester, have done very fine jobs. Trophies go to the three highest bowlers each semester. Taking first place last semester was Sharlene Boushelle, with Lorabelle Pavlak second, and Mary Strejcek third.

CHEERLEADERS

The sixteen cheerleaders, under the sponsorship of Miss Laura Pearson, have endured many tribulations of rain, cold and muddy fields, while cheering the boys on to victory. The girls are chosen every spring for size, appearance, motion, and pep by Miss Pearson and present cheerleaders. Laurae Chirat was this year's captain and Pat Sebby was her assistant. For the past few years, there have been no boys on the force but this year Gene Grandel was accepted. Seven of the cheerleaders are graduating leaving Pat Sebby, Audrey Humphries, Nancy Cross, Bobby Cary, Dot Wozniak, Joan Haener, and Barb Kawalec to carry on, assisted by the seven new ones coming in.

LETTER GIRLS

The "C" Girls Club was organized in September 1928 by Miss Marie O'Leary to encourage activity in sports among girls. Letter girls receive their emblems by earning 1000 points in G.A.A. activities. They receive credit for participating in tournaments, outdoor activities, having good health, giving service to the gym and sportsmanship. A chevron is cdded when a Letter girl earns an additional 300 points. She rates a star after her third chevron.

During the past year they have taken care of the lost and found gym articles in the ping pong room, and helped keep the locker room in order.

The officers for the semester are Joann Sorber, chairman, and Barbara Quaney, secretary and treasurer.

BOARD OF SPORTS

The Board of Sports is the governing body of the Girls' Athletic Association. It was created when the G.A.A. was organized during Girls' Week in 1926.

The Board sponsors such events as the Freshie Party to familiarize new girls with gym equipment, rules and games, a Christmas party at which four girls, one from each year, compete for the title of Sport's Queen, a G.A.A. Play Day to which two girls from each school are invited, and various tournaments at which gold and silver bars are awarded to the winners.

The officers for this year were as follows: president, Shirley Daluga, Bernie Kennedy; vice president, Norma Couser, LaVerne McKibbon; secretary, Pat Markland, Joann Sorber; Treasurer, Alberta Thompson, Irene Schaack.

LEADERS

The Leaders Club came into existence in 1941 under the sponsorship of Miss Marie Kuglin to aid the gym teachers in refereeing games.

Leaders must be recommended by a gym teacher and have no grade lower than a "G". Consideration is given to the girls' leadership and sportsmanship, two qualities which are most valuable to the leaders when fulfilling their aim of helping students to improve their skills in all sports.

At a Leaders' party, which is held just before Class Day each semester, graduates receive gold pins and corsages. The others receive bars and emblems according to the number of semesters they have been leaders.

GIRLS' SWIM CLUB

In 1928 the Girls' Life Saving Club was formed under the leadership of Miss O'Leary. Only the girls who passed their junior life saving examination were admitted. In 1936 under the guidance of Miss Laura Pearson the Nereides Club was organized. Three years later Miss Marie Kuglin started a Junior Swim Club for girls who were interested in earning their swimming emblem.

In 1948 and 1949 under the supervision of Miss Dorothy Powers, a substitute gym teacher, the Swim Club presented a successful water ballet show for the P.T.A. Parent's Night and for members of the G.A.A. The officers this year were Shirley Daluga, president; Irene Schaack, treasurer and secretary.
